

Referencje

Before I arrived in Brighton, I was very worried about how my experience would be.

Later on I realised that there was nothing to be worried about because Brighton is a lovely student city where all the people are polite and friendly. It actually turned out to be better than what I had expected, it is perfect.

I do believe that I have chosen the best school, where everybody is a part of its little family including teachers, staff and fellow students, I am never alone here.
