Tell us about your experience at GEOS Montreal!

Hi!!

My name is Jasreen I am from India  
I am a student of french course. It has  
been a very great experience while taking  
my french course at GEOS Montreal.  
Teachers and students are very co-operative  
and helpful. Study is excellent and more  
practical. It helps a lot to improve my  
knowledge and skills. Montreal, in itself  
is a very good place to live-in, as you have  
a very affordable life. There are lots of tourist  
places, great atmosphere and, friendly and co-oper-  
ative nature of people. I like it a lot.  
Thankyou.
